16 MARIO AZCARATE,) CONFERENCE, AND [PROPOSED]
17 Defendant.) ORDER

19 The parties hereby stipulate as follows:

20 1. On March 4, 2008, the Court issued an order setting a status conference for April
21 10 and ordering the United States to ensure that defendant is present for the status conference.

22 2. Two days later, on March 6, undersigned counsel for the United States delivered
23 to the United States Marshals Service a properly executed Request of United States Attorney for
24 Production of Federal Prisoner In the Custody of the United States. That request asked that
25 defendant be brought to San Francisco for the April 10 status conference.

26 3. On March 27, the Marshals Service notified undersigned counsel for the United
27 States that the Justice Prisoner and Alien Transportation System (JPATS) will be unable to
28 deliver defendant to San Francisco by April 10. Instead, the Marshals Service stated that

1 "JPATS has asked for an extension to April 11 for airlift to Northern California."

2 4. In light of this delay in transporting defendant to San Francisco, the parties
3 respectfully ask the Court to continue by one week the status conference currently scheduled for
4 April 10.
